

Kent Harshbarger, MD, JD, received his MD and JD from Southern Illinois University. He completed an anatomic and clinical pathology residency at Ball Memorial Hospital in Muncie, Indiana, and a forensic pathology fellowship at the Montgomery County Coroner's Office in Dayton, Ohio.

After training, Dr. Harshbarger worked for a short time as a forensic pathologist serving the majority of central Illinois and then returned to Dayton, Ohio to serve as a Deputy Coroner/Forensic Pathologist for Montgomery County. Dr. Harshbarger also serves in the Army Reserve as a Regional Armed Forces Medical Examiner. Dr. Harshbarger holds an appointment as a clinical assistant professor in the Department of Pathology at Wright State University School of Medicine.
