OBJECTIVES

EDUCATIONAL STATEMENT

Welcome to “Navigating the Nexus,” a cutting-edge legal medicine conference where we explore the dynamic intersection of law, medicine, and dentistry amidst rapid technological advancements. Enjoy groundbreaking discussions on the ethical and legal implications of artificial intelligence in healthcare, explore the evolving landscape of medical and dental practices, and critically analyze the legal issue in the ever-expanding realm of medical technology. Join thought leaders, legal experts, and healthcare professionals as we navigate this complex nexus, forging a path that harmonizes innovation with ethical and legal responsibilities, shaping the future of healthcare in an era of unprecedented technological progress.

OBJECTIVES

In line with our conference theme, Navigating the Nexus: Exploring the Intersection of Law, Medicine, and Dentistry in an Era of Technological Advancements, and the mission of ACLM to continue the professional advancement of its members, the ACLM’s 64th Annual Conference will provide and improve the knowledge and understanding of attendees in the following areas:

- | | |
|--|---|
| 1. Recent updates in federal and state legislation, case law, and regulation | 12. Consciousness and communication in technology-driven healthcare |
| 2. The transformative potential of artificial intelligence in diverse healthcare domains | 13. Mechanisms for responding to patient harm |
| 3. How medicine and technology are remaking the law of reproduction | 14. Licensing, credentialing, and peer review |
| 4. Legal aspects of computer-generated perceptual information in dentistry | 15. Managing mishaps, patient safety, and discipline resolution |
| 5. Insights into the Asylum Hill Project | 16. Understanding the field of repressed memories |
| 6. Legal and regulatory landscape of psychedelics in clinical medicine | 17. Global public health dynamics |
| 7. Awareness and adherence to legal obligations and ethical standards for dental professionals | 18. Compliance, Challenges, and Innovations in Contemporary Dental Practices |
| 8. The landscape of fraud and abuse in healthcare | 19. Regulatory landscape for drug development and approval by the FDA |
| 9. The promise and responsible utilization of artificial intelligence in oral health improvement | 20. Cognition, Law, and the Aging Professional |
| 10. Legal strategies surrounding litigation funding | 21. Legal challenges and ethical complexities of mental well-being |
| 11. Ethical and legal considerations related to the integration of artificial intelligence in dentistry | |
